This list includes all the research outputs produced by those Faculty of Arts staff who were either funded through the Centre in 2003, or were involved in a CCR project. Not all outputs here were directly funded by CCR, some were supported by the staff member’s School. It is anticipated that all these outputs, including those supported by CCR, will also be dual-listed by Schools in reporting their research outputs for the year.

Bell, Allan, Karen Davis, Melenaita Taumoefolau and Donna Starks (July 2002). Maintenance and shift in the Pasifika languages of Manukau. *Community Languages and English for Speakers of Other Languages (CLESOL) Conference*, Wellington.
